Subject: xmas

Sonja,

When are you sending me your Christmas list for both you and Nikke? I would like to get things for you two that you would like. Also, have you decided if we are coming up there next weekend, are you coming down here or are we meeting somewhere in the middle for you to get the buckeye balls? Either email or call with the information.

Hope both you and Nikki are feeling well.

Love to you both,
Mom
